About Ramal Astrology:

To know future there are so many methods in this world and RAMAL SHASTRA ASTROLOGY is one of them. Ramal Astrology was not so easy to understand but now it is. Whether you are a student of astrology or not but still you can learn Ramal Shastra. For a reading of Ramal Shastra we don't required any birth detail, with anyone's name we can take out predictions. For the Ramal Reading Session you will need a set of Ramal Dices in India we call them "Pase". This set of Ramal Dices should be manufactured in a particular Nakshatra and with a particular mixture of different metals. A practitioner of Ramal Shastra is called Ramal Astrologer or Ramal Shastri. A Ramal Astrologer must be comfortable with the symbolic language of Ramal, Acharya Anupam Jolly made this technique so easy. Before few years everyone had to make a ramal horoscope for every question, it was a time taking session but now these days with the blessing of Acharya Anupma Jolly anyone can answer within few seconds. Every one of you can be perfect Ramal Astrologer in the guidance of Acharya ji.

Astrologers believe that the movements and positions of celestial bodies either directly influence life on Earth or correspond to events experienced on a human scale. Ramal astrology is a symbolic language, an art form, or a form of divination. Despite differences in definitions, a common assumption of astrologers is that celestial placements can aid in the interpretation of past and present events, and in the prediction of the future.

According to Acharya Anupam Jolly:

"Ramal is a divine subject and a person who has divine blessings and divine sensitivity they can learn this easily and will be able to help others. Everyone is an individual personality and may be the way you think about life can be differ from me but if you want to learn and practice any divine science then make sure that you don't have any right to hurt someone, don't misguide people and never take extra advantage of anyone's weakness. If you cannot love everyone then don't hate anyone, whatever religion you belongs from your God is watching you and when you deal with divine energies then you are more nearly connected with god. I bless all my students and my followers with best wishes and I hope you will always do well for peoples from this divine education".

भविष्य कथन या प्रश्नों के उत्तर प्राप्ति के लिये भारतवर्ष में अनेक विद्याओं का अभ्यास किया जाता है। रहस्य, तंत्र आदि विद्याओं की उत्पत्ति भगवान शिव द्वारा, उमा पार्वती के कौतुहल पूर्ण प्रश्नों के समाधान द्वारा होती रही है। रहस्य विद्याओं के ज्ञान शुक्राचार्य ने स्वयं भगवान शिव प्राप्त किया है। भगवान शिव द्वारा प्रणीत रमल विद्या सदियों से लोगों का मार्गदर्शन करती रही है।

प्राचीन रमल ग्रन्थों को आमजन के लिए अपने अनुभव से सरलीकृत कर, **आचार्य अनुपम जौली** करीब 1994 से निरन्तर पढ़ा रहे हैं। रमल ज्योतिष एक प्रश्न कुण्डली की प्राचीन विधी है जिससे कोई भी अपने आगामी प्रश्नों के सटीक उत्तर प्राप्त कर सकता है। इस विधी में पाँसों के द्वारा एक प्रश्न कुण्डली का निर्माण होता है और उससे मिले संकेतों से सटीक उत्तर की प्राप्ति होती है।
